Need for Financial Assistance

Indicate how you plan to finance your post-secondary education (i.e. family, personal earnings, grants, scholarships, and/or loans). If you desire, relate any special circumstances, which have a direct bearing on your need for financial assistance. This may be very helpful as financial need may play a significant role in determining who receives the scholarships. If the criteria for a scholarship includes financial need, you may also want to attach a copy of the first page of your Student Aid Report (SAR) from your financial aid application, parents' tax returns, or financial statements of net worth. If applying for the Vestergaard application, you must include a copy of the first page of our SAR with your EFC.

Letter of Recommendation

Please provide three letters of recommendation from teachers, employers or someone who can demonstrate why you are worthy of receiving this scholarship. Letters of recommendation must be signed. **Of the three recommendations only one can be written from a teacher and at least one must be from a non-school, non-related acquaintance.**

Write an essay about yourself, your home and family, and future educational and vocational plans in a way that will provide the best picture of you as an individual. **Do not include information requested in other sections of the application.**
